PASSAGEN – Interior Design Week Köln

14 to 20 January 2019

Press Release, 26 October 2018 – For immediate Release

30 Years of PASSAGEN!

In January 2019, PASSAGEN will be kicking off the international design season for the 30th time. The shows staged by international designers and manufacturers will once again attract design aficionados to explore the tightly packed route through Cologne's city centre. Furthermore, the programme will be defined by spectacular presentations and happening-like events and exhibition openings, complemented with shows at cultural institutions and museums.

Located again in the Ehrenfeld design quarter, the Designers Fair, too, will be celebrating a notable anniversary: for the 10th time, the show will be providing a platform for new design talent. Following Turkey as the 2018 focus, in 2019, designers from the Republic of Georgia will feature as the show's special guests.

After its successful launch in 2018, the PASSAGEN PRIZE will see its second edition, organised and presented by PASSAGEN in collaboration with the German Design Council and the City of Cologne. The competition focuses on the interaction of product and staging, with the prize going to the best interior design in combination with its staging as part of the PASSAGEN exhibitions.

PASSAGEN was founded in 1990 by Sabine Voggenreiter.

Entrance is free. The corresponding catalogue and online listing will be published towards the end of 2018.
