PASSAGEN – Interior Design Week Köln

13 to 19 January 2020

Press Release, 29. October 2019

PASSAGEN 2020

In January 2020 **PASSAGEN** will be kicking off the international design season for the 31st time. The shows staged by international designers and manufacturers will once again attract design aficionados to explore the tightly packed route through Cologne's city centre. Furthermore, the programme will be defined by spectacular presentations and happening-like events and exhibition openings, complemented with shows at cultural institutions and museums.

The **Designers Fair**, which will take place for the 11th time as part of PASSAGEN and will be presented for the third time at Pattenhalle, offers numerous newcomers to the design scene an international exhibition platform and this year it will once again be held in the Ehrenfeld Design Quarter. The special programme **design parcours ehrenfeld** with exhibitions of local actors and international guests will take place for the 13th time in 2020.

After its successful launch in 2018, the **PASSAGEN PRIZE** will see its third edition, organised and presented by PASSAGEN in collaboration with the German Design Council and the City of Cologne. The competition focuses on the interaction of product and staging. The prize goes to the best design in the field of interior design and its staging as part of the PASSAGEN exhibitions.

PASSAGEN was founded in 1990 by Sabine Voggenreiter.

Entrance is free. The corresponding catalogue and online listing will be published towards the end of 2019.
